The Rochester Nonprofit Consortium brings together cross-sector, community-wide leaders to address the needs of residents. During the time of COVID-19, this group – comprised of leadership from the City, County, businesses, and nonprofits – has created a systematic approach to serving our community. These resources have been vetted and remain current. If you encounter a link that does not work, please contact c2cadmin@c2cmn.com.

I want to help by donating:

MY TIME

For information on volunteer opportunities:

volunteer.uwolmsted.org

LAPTOP COMPUTER

To support students with distance learning.

raytf.org

FABRIC MASKS

To donate fabric masks, contact:

507-328-2822

PHYSICAL ITEMS

blankets, furniture, clothing

This is **NOT** a good time to donate goods, as the virus can live on surfaces and it is unknown for how long. Please hold your goods until the County gives clearance to once again accept community donations.

MONEY

FOR FOOD

Financial donations to provide meals for others.

FOR ESSENTIALS

Toiletries, cleaning supplies, diapers, etc...

familyservicerochester.org/donate

FOR NONPROFITS

Monetary donations to support local nonprofits.

SUPPORT NONPROFITS

Please support your local nonprofits by donating funds to support their operations.

This is the best way to ensure they continue to serve our community through COVID-19 and beyond.
